We were a group of 6 and visited Goa in August and had a great time staying at this property. Villa has 3 bedrooms and is more than comfortable for a group of 6. All required amenities were provided and cleaners came regularly without much reminders. The location is extremely central with everything of need within walking distance from villa. The beach is a stone throw distance away only but the approach road to the beach needed slight repair at the time when we were there. Many good pubs and restaurants are all within walking distance. Puneet was a great host and responded to all my requests promptly. Will definitely come back

Rishabh (From India July 2018)

Puneet's place is great, perfect location and has all the amenities.

Sabyasachi(From Schaumburg, Illinois, United State July 2018)

We came to goa to celebrate my friends birthday. We booked the .3bhk villa, it is a gated community with swimming pool. We didn't use it though, but saw other people using it.

There is a private unpaved path to the beach. However being monsoon season it was muddy and we didn't use it. But in dry season I think it should be good and that makes the beach few minutes away from the property. Puneet is a great host and made sure our check in process was smooth. Since we were arriving late he suggested we use one of the transport option provided by him. The cab picked us up from the airport and we didn't have to search for the property and all. The driver had the keys. The location is awesome as it has many good restaurants within walking distance. Bike and car rental can be taken from outside the gate it self. We stayed for 2 nights and really enjoyed the place.

Durga (From Bengaluru India July 2018)

Five of us visited and stayed at Puneet's place. Place is excellent. Location is outstanding. Highly recommended.

Hello Friends, Our stay at blue palm candolim villa(C9) was truly remarkable. The location of the vilaa was jus perfect with 2 min walk to candolim beach and all cafe and restaurants at walkable distance. The architecture of the villa was simply elegant. The property is well maintained and the caretakers were really helpful. Few features including fully furnished kitchen, exclusive bar area, furnished bedrooms, garden, balconies with pool view made our stay comfortable! We look forward to stay again!

Had a great time at Bobby's villa. Everything was seamless and we were given accurate and timely information. The villa is located very close to the beach as well as eateries, markets. Also all necessary amenities were provided in clean and working condition. Thanks Bobby

Shruti Rao (From India July 2018)

Bobby was a great host ! He was kind to arrange transport for us in a very short notice . And the villa is pretty :) we really enjoyed spending time in the balcony sipping chai . The best part is the location , so close to the beach , eateries and supermarket . Overall a very good stay.

Sankha (From India. July 2018)

The property is located very close to the main road, super market, good restaurants and the beach. It is very well organised, maintained and stylishly decorated. The pool is also clean and well maintained. Service staff are nice and available most of the time. Bobby is a really helpful and flexible host. Overall, the experience is really nice and highly recommended.

Parinaz (From India · June 2018)

The place was great! We got a free upgrade, and the villa had really good interiors, as well as a jacuzzi! It's at a central location, right Opposite Delfino's- one of the central supermarkets. It's literally 5 minutes walking from the beach, and it has restaurants and party places all around. The domestic help was really nice to us, and was always available. The place was clean! Highly recommended!

Prateek (From Hyderabad, India · June 2018)

The place is true to it's description and pictures. What stood out is Puneet's flexibility and friendly resourcefulness which made most important things about Goa a more seamless experience. Thank You

Mathew (From India · March 2018)

My daughter, son in law and one year old son were coming down from Los Angeles and we really wanted to have a wonderful joint holiday in Goa. We searched the internet and came upon this villa. The reviews looked great and so we booked it for 4 nights and 5 days. The villa has everything one could possibly need - gas stove, bottled water, microwave, electric kettle, fridge, books and magazines in plenty, playing cards, board games, Wi-Fi, ample number of kitchen utensils, plate,

Shreya (From White Plains, NY · February 2018)

Puneet's place was great! I came here with my family and we got exactly what we wanted, the beach is just a 2 mins walk and all the good restaurants are 5-10 mins walk away. There is also a good supermarket right around the corner. We were given two maids and a handyman who were very helpful and would come only when asked for. Puneet was a great host as he always responded quickly and was very accommodating when I requested to extend our check-out time. Had a great experience overall and will definitely recommend this place. Thanks!

Ekaterina (From Lisbon, Portugal · January 2018)

Puneet is a very responsive host and even got us a coffee machine when we asked for one. Good house w everything you need. Near beach.

Bharat (From Gurgaon, India · January 2018)

This villa is stunning. Super well decorated, and fantastic location

Ravinder (From India · January 2018)

Great Location 5 minutes' walk to the beach and 5 to 15 minutes' walk to the best of the cafes. Very fast response. Only swimming pool was not as clean as expected. Rest all a thumps up!

Pallavi(From Mumbai, India · January 2018)

Bobby's place is exactly what it promises to be. A lovely two bedroom villa with all the facilities that are needed to enjoy your holiday in a quite gated complex. You just step out of the complex into the lively and happening CandolimStreet. Just about everything is available with. 5 min walking distance, the beach is very close and the supermarket and some lovely bars and restaurants. I would say the cottage having all the comforts one needs and the location is what makes it a completely wonderful deal.

Kalpana (From Châteauvert, France · May 2018)

This place was a little gem. So close to the beach and the local shops yet in a small quite residential enclave.

Shruti (From Mumbai, India · December 2017)

Lovely place and location!

Nishant (From California, United States December 2017)

Awesome place to stay !

Abhishek (From India · November 2017)

Good place to stay at. Located at walking distance from the Candolim beach. Spacious, clean and comfortable. The pool was a great add-on. Villa can easily accommodate 9 people. Host was great. Housekeeping facilities etc. are just a call away. The rate charged was quite high though. Nevertheless, we enjoyed our stay at Bobby's.

Milan (From Mumbai, India · December 2017)

The Villa is excellent, well furnished, well maintained. The owner has provided almost everything that we need including bar accessories. Kitchen is well equipped. All the AC s are well functioning and the cooling of whole villa was excellent because of which we enjoyed our stay in spite of terrible heat outside. Towels, linen, bathrooms are clean but could not manage to operate hot water supply. The most beautiful part of the villa is wooden staircase which is very well maintained. Very close to the beach which is a sort of private beach and hence very clean. The common swimming pool is just opposite the villa and we could enjoy that too. The worst part of the stay was maids who didn't show up till next afternoon after check in. Crockery n utensils used in the morning for tea coffee etc. was not cleared until we returned from the beach. We had to call them and tell them to clean up. I would definitely recommend it to other travellers.

Ayush (From Mumbai, India · January 2017)

It's been more than 2 weeks since we have come back from Bobby's villa and the memories are still fresh. Bobby was an excellent host and the ladies that helped us around the villa and make our stay comfortable were equally sweet and very helpful. Villa was spic n span when we arrived and it's even prettier than the photographs. But what made us love this place more was the Jacuzzi which was ready for use when we arrived, an excellent sight to see when we entered after a tiring day of driving. There was entertainment centre in the living room, books to read and a small movie collection to choose from, but am pretty sure no one comes to Goa to watch a movie, people come for the beach and the beach is just a 2 min walk from the villa. As soon as you arrive at the beach you can get yourself a recliner and a masseuse to enjoy the sunset, beach is not crowded at all and there is a life guard on duty (don't expect lifeguards as seen in Baywatch) hence you can have a great time bathing in the sea. And for the lazy heads, you can just grab a beer, start your music and relax in the Jacuzzi. Overall an excellent experience.

Vinay (From India · June 2017)

Puneet is a great host! He was really accommodative with our request of early check in and a slight late check out!! He was present at the time of check in and was very hospitable and guided us with all the information we need! His villa is absolutely well designed and super comfortable! We were 2 couples and we enjoyed our stay thoroughly!! The highlight of the Villa is its sit out area and the open air Jacuzzi! Thanks PUNEET! Next time we are in Goa, we shall be looking at no other place but yours :-)

Nishesh (From India · April 2017)

For all our future stays in Goa - this is now our first choice. Lovely, well-maintained, upmarket villa with the beach less than a 2 minute walk away from the residential complex. Location in Candolim is such a huge advantage for this villa with restaurants, pubs and supermarket all within 5 minutes walking distance. Goa was very hot when we visited and thankfully this villa is fully air-conditioned, not only the bedrooms but the living room too. Bobby is an excellent host who bends over backwards to make your stay comfortable. He has thoughtfully provided menus of restaurants that offer takeaway service for all meals to the villa. If you prefer to cook, the villa has a fully equipped kitchen. Bobby is also very knowledgeable about the latest buzzing places in Goa to check out - do pick his brains when you stay there.

UllasKishore (From London, United Kingdom March 2017)

The place is better than the pictures and is most comfortable. We had a great stay the place is located within a walled complex and is very safe. All the shops and supermarkets are right outside the compound. The beach is about 500m walk through a private walk away from within the compound. Puneet is an excellent host and helped us during some tough situations very well.

Anupam (From Mumbai, India · March 2017)

We loved the place.. Great location. Beautiful place.

Prienka (From New Delhi, India June 2018)

You can trust what you see, in fact his villa is even better than the pictures that are uploaded. A very clean place, good location and very helpful host.

Mouna (From Doha, Qatar Feb 2017)

If you are looking for nice place this is definitively yours Clean. Beautiful. Central. Well equipped. Calm. Safe. All what you are looking for Puneet is very kind. Always available for any query. Good communication the driver Eric is very professional and a great guide. Very helpful

Sonia &Doru (From Bucharest, Romania Feb 2017)

The villa has been a great place to stay for 5 friends. Great location, very spacious place, beautifully decorated, nice terrace, awesome bathrooms, comfortable bed. We had everything we needed and Puneet was very helpful.

Ashwani (From Bengaluru, India Feb 2017)

The villa is nicely location. You just need to walk for 5 min to reach the beach. The villa is clean and has basic facilities. Don't expect to have all facilities like you have in hotels. You have to manage on your own and helpers are present there only to keep villa clean. Overall it was a nice experience to stay here.

Kacey Martin (From New South Wales, Australia Feb 2017)

A lovely spacious villa with great location close to the beach, supermarket, bars, restaurants, etc. Clean and maintained, housekeepers a pleasure. Comfortable beds, and loved the depth and temperature of the pool - was refreshing to jump into after a beach visit (make sure to use the outdoor shower to rid yourself of sand). An overall great stay. Happened to also be staying when Puneet was there; he was a helpful and friendly host who was able to organise Wi-Fi and airport transfer for us.

TrevorSimpson(From Leeds, United Kingdom Jan 2017)

We highly recommend Bobby's villa. It is in a fantastic area and central to all the shops beach etc. The villa is really clean and Bobby and the maids are really friendly and easy to get in with. We will defiantly be coming back next year.

Rayana (From Bahrain Jan 2017)

The House was beautiful, clean, and safe. Location is perfect, right by a beach and central streets. Bobby was very helpful with everything we needed and was very quick to reply always. Defiantly a place to recommend!

Lucy (From Dorking, United Kingdom Jan 2017)

This is a fantastically located Villa, smart and clean with great contact from Bobby and his team, the beach is minutes as is the Candolim Road, we had great fun in the sun !

AmitGadkari (From Pune, India December 2016)

Over all the best vacation experience for our stay. Would definitely suggest it to others and looking back to visit again this place.

VisheshGangal (From India December 2016)

Everything is as seen in the pictures. Great Villa with all the amenities. Great location. Puneet was very helpful with the local information. Excellent choice for a group or family vacation.

GauravAhlawat (From New Delhi, India December 2016)

Puneet is a wonderful host, ready to help and offer advice as appropriate. The property itself was very conveniently located between the main areas of North Goa and a lovely beach just 5 mines walk away. The house is nice and spacious with tastefully done interiors. The cleaning crew is friendly and was nice enough to wait for us for more than 2 hours after their shift since we were delayed in our arrival. The place is ideal for 2-3 couples. Or just friends like in our case although it did not diminish our experience one bit but just to point out, there is some basic maintenance issue that can be taken care of with minimal effort. Like one of the basins was draining a little slow and the faucet in one of the bathrooms was not working properly. Rest everything was perfect, including our host Bobby, who is most accommodating

VikasRaidhan (From Hyderabad, India Oct 2016)

My entire family including my little daughter had a comfortable 4-night stay at Puneet's villa. The interiors are tastefully done, beds are comfortable, bathrooms are clean and hygienic, wooden staircase adds to the beauty of the house. The location of the villa is excellent with all the attractions and restaurants nearby. The guide book that Puneet has prepared is very helpful in finding information about food and shopping in Goa. The caretaker is also a helpful fellow who made sure the house was kept clean and in order throughout the stay. My family also liked the pool inside the complex. We'd come back from beach, take shower and plunge into pool every day which was fun. Puneet, it seems, is also a whiskey/cocktail lover. You get French cocktail shaker, strainers, peg measure, glasses, everything you hope for on the bar counter. With Newton's nearby for ingredients, we had a great cocktail night where I made Long Island Iced Tea, Hurricane, Mojito and lots of Shooters, great hangout (over) with family. Also, there is a tap when you enter the villa from behind where you can wash sands of your shoes/bod and keep the place cleaner until next house cleaning. We went there in cloudy season so drying of clothes was a big issue not that everyone would face it. Even then, I think a washing machine and covered balconies would have made it easier. Another thing missing was a good stereo system with sub-woofers.

Vivek (From Mumbai, India Jan 2018)

Fantastic villa very well maintained. In the midst of happening places. Puneet is a friendly guy. I would recommend the place. Perhaps, the only weakness - complex could be maintained better(which is not in his control). Overall great experience

JoshMedow (From US, July 2016)

Puneet's villa was an awesome place to stay. Short walk to the beach or the main road where there are plenty of bars and restaurants but far enough away to find peace and quiet. Would definitely stay there again!

JP(From Bengaluru, India July 2016)

The Villa is in a very good location in North Goa, and is very nice. The villa just as beautiful as the pictures suggest and is very well maintained. It wasn't the best season to visit, so couldn't enjoy all that the villa provided like the wonderful sit out or the hot tub.

Chandni (From Mumbai, India July 2016)

I was visiting Goa with my sister, brother in law and a friend. The Villa was extremely comfortable and ideally located. It had a beautiful Portuguese feel to it and a private beach is accessible and just a short walk. The pool was shut due to rains. The help Radheshyam was extremely sweet and would just be a call away. He made our stay very comfortable. Would love to explore a new villa hosted by Puneet next time for sure.

Akhil (From New South Wales, Australia March 2016)

A great villa to live in. We had a great stay in Goa. Great location and easy accessible to the beach. If we ever coming back to Goa, I would stay back at this place. Someone comes and clean the house daily. Perfect place to live in Goa.

Sourav (From India March 2016)

We had a very comfortable stay at Puneet's villa. The place is very clean, cosy and exactly met the description of the property. All the villa staff were very professional, friendly and never gave us a chance to complain. I will definitely come back to this place in future and highly recommend it to others looking for a calm and laid back holiday experience at Candolim.

Perna (From New Delhi, India Feb 2017)

Our stay at Puneet's villa was extremely comfortable. The villa is beautifully done up as well as very centrally located. The beach was just a few minutes from it so were the shacks and good eating joints. With Puneet's personal assistance our stay was super comfortable and majestic. Would definitely like to experience those comforts whenever next in Goa.

Brian (From Maroubra, Australia Feb 2016)

The Perfect Host. Our stay at Bobby's villa in Candolim was all it promised to be. The beds were very comfortable, the rooms large and everything worked. It is located very close to the beach, supermarket and restaurants. What I liked best was Bobby's helpful advice. He organized drivers, recommended restaurants and allowed us to have a very late checkout on our final day when we were all suffering from upset stomachs. Thank you so much for all your help Bobby in making our stay in Goa a memorable one. Brian and family

Jeet (From New Delhi, India Feb 2016)

Awesome experience. Comfortable stat

Sangeeta (From Bengaluru, India December 2017)

We were 5 friends who visited Goa mid-Jan for a special birthday celebration & were really happy that we chose Bobby's Beach-touch villa. Bobby was very accessible throughout the booking process & after that when we had questions/clarifications about various things. He helped us with the cab drivers & had some great suggestions. The villa itself was extremely well located - whether we wanted to just walk out to the main road, eat out at some of really good restaurants a short stroll away or shop a bit. The beach was literally a 5 min walk which we thoroughly enjoyed. The villa interiors were lovely, well looked after & little things were thought of & provided for. Apart from that the entire stay was made very comfortable & easy by the caretakers. I did have 1 incident during the trip - I lost my cell-phone & lucky me that the guys who found it thought they should return it - but by then I had left Goa. So I turned to Bobby for help & he very obligingly got them to drop it off at the villa with the caretaker & will be couriering it back to me. So a happy ending there - thanks for that Bobby! :)

Ruth (From Brisbane, Queensland, Australia December 2017)

Bobby welcomed us in person, and provided tips about local restaurants, as well as introducing us to house-keeping staff, a personable woman who came daily. Could organise laundry at reasonable price. The house has a restful feel, being comfortably and artfully furnished, with attractive landscaping. As the house is Well-located, adjacent the pool, a short walk to local shopping, and a little longer stroll to the beach, we were able to both walk to many of these, but also take short drives to other nearby villages and the capital city. We would consider returning for another holiday.

Sidharth (From New York, United States)

We had an excellent stay in Puneet's villa. It was very comfortable and clean. Puneet made sure our check in process went smooth, and helped us with our every need. I highly recommend it and will go back again.

Mikhail (From Kazan, Russia)

Excellent location full equipment of the villa, very friendly host

Sandip (From Jamnagar, India)

I would say Extremely Satisfied. Property was in exactly same condition as shown here. Host Puneet is very helpful. Care taker and maids did their job well without us asking them to. Everything we needed was available within 5 minutes of walk. Accessibility to beach is easy, and shared swimming pool is also very well maintained. If one is looking to family holiday, this is one of best place to stay in North Goa.

Samuel (From Honolulu, Hawaii, United States)

Maids met us there and checked us in...People on property at all times, so it was nice and secure. Very nice place.....nicely appointed, great location. Very happy with our experience. You will be pleasantly surprised as the photos don't do it justice.

Brian (From Hackensack, New Jersey, United States Feb 2016)

My wife and I enjoyed staying at the villa. It was spacious, close to the beach and close to the main street with all the shops. Bobby was attentive and responded quickly when we had any concerns. The hot tub needed a quick cleaning but overall it is clean and maintained well. The staff does come in often but you can let Bobby know of that is an inconvenience for you. Overall it was what we needed for our stay.

Rebecca (From GB)

Great property - I would definitely recommend staying at Puneet's villa. Top location with easy access to the beach. The villa is well-maintained and tastefully designed with high-end finishes. Everything went very smoothly and Puneet was kind enough to allow us a very late checkout. Nice outdoor spaces and the hot tub is definitely a highlight! Can't wait to return in future.

Alex (From Arlington, Virginia, United States)

Puneet (Bobby) was extraordinarily helpful and a great host. He helped us arrange transportation to and from the airport, the house was in great shape, and we had a great time in Candolim (despite it being the rainy season). Would definitely recommend to anyone looking for a great place and awesome host!

Thomas (From Barcelona, Spain Feb 2018)

Puneet foi um ótimo host, fazendo com que nos sentíssemos sempre amparados. A vila é muito confortável e foi perfeita para os 3 dias que passamos em Goa. A localização é muito boa para ir a praia (3 minutos caminhando) e para restaurantes e lojas. O contato com Puneet sempre foi ótimo, ele respondeu todos os contatos muito rapidamente e nos ajudou muito com dicas e contato com taxistas.

Avneet (From Mumbai India)

The villa is just fantastic. In couple of minutes, you are on the beach and among some great beach shacks. The place is very well kept and exactly like the pictures. Puneet was extremely helpful. He helped us book the taxi from airport to the Villa, gave us tips on where to eat and what to see while there. The taxis, bike hire, Delfino's and great eating places - everything is within minutes. I strongly recommend Puneet's Villas to everyone. If you are looking to be on a clean beach and have a private place, there is no better place than being at Puneet's Candolim villas. This is our favourite place to be in Goa and we are definitely coming back again. Thank you so much Puneet! :) (travelled as a group in Feb 2015)

Siddharth (From San Francisco, California, United States)

This villa was the perfect getaway for a short weekend for our group of friends. It had all the amenities we needed. It's in a great location and looks as described in the pictures. The caretakers were very friendly and took good care of us. Puneet was always reachable and gave us good recommendations on places to visit which was very helpful. We would have loved to stay longer here, hopefully next time!

Ajay (From (From Bengaluru, India)

To begin with, the description and pictures on the villa are bang on!!! Very well maintained and perfectly located for your beach visits. 2 minutes' walk to the beach and to the main candolim road with access to super markets (Delfinos & Newton's) and a taxi stand. The villa itself is very well furnished with all amenities. I had a special request - was travelling with family along with my pet dog and we wanted a pet friendly villa close to the beach. Puneet was kind enough to accommodate although under description pets are not allowed. Highly recommend the place if you are planning a trip to North Goa!!! I'll never look for another place if visiting North Goa!!!

Oleg (From Saint Petersburg, Russia 2015)

We rested in a villa in January 2015. This is a great villa located in the right place. Beach, supermarkets, hospitals, street markets and restaurants - all this at a distance of 200-300 m. Cool design and interior of the villa will not leave you indifferent. The staff is always ready to service, friendly and caring. If you wish, you can always get additional services - taxis, tours, escort. Puneet excellent owner. At any time he is ready to assist guests. Immediately respond to any requests and suggestions. I'm pleased to come again and will recommend Puneet and his villa to my friends. Oleg Sinko

Raj (From San Jose, California, United States)

My friends and I rented Puneet's place. The location is just perfect right in the heart of Candolim Beach. We were walking distance to the Supersonic festival. A 1 min walk to Delfino's grocery store kind of like Trader Joe's in the US. He has care takers for the house so they make you feel welcome. Being so busy we never got a chance to use the Jacuzzi :(You do get water, coffee and tea part of his hospitality. I would stay here again.

Øyvind (From Oslo, Norway)

Puneet ordnet med taxi som hentet reisefølget på fem personer på flyplassen. Vi kom frem til et flott og rent hus som var akkurat som beskrevet. Veldig bra og luksuriøst og kun et par minutter fra stranden. Huset ble vasket hver dag og en maid laget frokost og visste ikke hva godthunskullegjøre for oss. Vi storrivdes i huset og anbefaler dette til alle. Veldig bra kvalitet på absolutt alt. Puneet var en veldig god vert.

Jeeth (From Doha, Qatar)

It was a wonderful experience. The place of stay always plays an important part in setting the mood for any vacation and this place was right up that alley. It helped us to focus our minds on other things that helped us have a great time in goa. Everything was as mentioned in the website. We all thank you for the hospitality and experience

Julian (From Washington, District of Columbia, United States)

Thanks Puneet! This villa is bomb. Looks exactly like the pictures. I stayed here with 6 friends for two nights, it is a perfect spot for a big group. The villa is close to the beach and close to all the hustle and bustle of Candolim but in a nice and secluded private community. All the accommodations are superbly maintained--beds, baths, kitchen--you get the whole deal. However, what really made this place a joy to stay in was the host's attentiveness. Puneet was on top of every little detail even before our arrival--providing us with taxi drivers, restaurants suggestions and tips to make our stay more enjoyable. Additionally, he was kind enough to allow our friends to rent his second villa on a very short notice and for a reasonable price. This was a really nice touch as it allowed our travel group to stay together--all of us within a block from each other. To top it all off, the two housekeepers Puneet employs completely won our hearts over. Anusha and Radheshyam are simply a joy! They were very helpful and we enjoyed their company very much. Overall. Staying at Puneet's villa was an excellent choice. I'll definitely stay here again if i ever return to Goa. I only have to minor reservations about the place. One, the Wi-Fi was a bit slow but in all fairness this is the case in all of Goa. Two, there is no Jacuzzi on the terrace of this villa. Puneets 2BHK villa has a Jacuzzi, not this one.

Faina (From San Francisco, California, United States)

The villa is in a central but quiet location. Overall, nice place for a group of people who want to stay together and enjoy what north GOA has to offer.

AdityaParwatkar(From India · June 2018)

Firstly, we had a great time at Puneet's villa. The images and description for the villa given online were accurate; rather the place is better than what you'd expect it to be. The house was very clean, well-maintained, conveniently located and the staff was also quite

accommodating and helpful. And of course, the highlight for us was the hot tub and the open balcony. Puneet was a great host and gave us some fantastic recommendations for food. Fisherman's Cove is on the road outside the villa complex is a lively, fun place with good Goan seafood. Thanks to Puneet for his hospitality and given a chance, we would definitely like to go back and enjoy a relaxing stay again.

Dinesh (From London, United Kingdom)

By far this is been the best place i have ever stayed. Host is been the best in terms of providing all the facilities and also was very quick on responding to any needs. He was very helpful in guiding us to visit the best places based on our needs as we were new to the place. Staff at this place are very co-operative. As mentioned in the description it is exactly the same, beach was literally 2 minutes' walk and was a very peaceful place unlikely any other place i have stayed. I can barely think of any negative for this place and host. Overall i would recommend this accommodation any day to anyone.

Ketan (From Dubai, United Arab Emirates)

It's difficult to start writing this review as my stay at Bobby's (Puneet's) place was truly eventful, however I'll come back to that story later! So let's talk about the villa – In a word its fantastic, very well maintained and superbly designed. The beds are comfortable the bathrooms are modern and well laid out. The Jacuzzi really makes this place and we spent many hours chilling and having drinks with friends in there. The villa is by far the best one in the compound. In terms of location it is perfect, the beach is literally a 5 minute walk and there are lots of shops and on the other side including one of the largest supermarkets in the area called Delfinos. Four of us stayed for 5 days and the whole experience was great, however next time I will make it clear that we do not need house maids to be there all day and night – that was the only tiny and I mean tiny negative thing for us. Ok so coming back to my story which is directly related to Bobby and the high level of service we received from him. Sometimes things go wrong on holiday and this was completely our fault. When using the safe in the room we accidently punched the wrong code in and couldn't remember it the next day. After many failed attempts we contacted Bobby who was in Bangkok on business. The guy was amazing; he went completely out of his way while being thousands of kilometres away to assist us. In the end everything got sorted and it was down to a perfect host who has a perfect place in Candolim, Goa. Go stay there, you won't regret it!

Abbas (From Toronto, Canada · December 2017)

We had a fantastic trip at Puneets place, and it came exactly as advertised! It was literally 5 minutes to the water, which was awesome. The staff were attentive, pleasant and very helpful, and Puneet was filled with loads of help and guidance to local restaurants. Thank you
